

sub_files/sub_file1.tex

Definition 1. This is a definition.

Assumption 1. This is an assumption.

Lemma 1. This is a lemma.

Proof. This is a proof using [Definition 1](#) and [Assumption 1](#). □

sub_files/sub_file2.tex

Proposition 2. This is a proposition.

The proof is postponed to the appendix.

sub_files/thm_sub_file.tex

Theorem 3. This is a theorem.

The proof of [Theorem 3](#) is postponed to the appendix.

sub_files/appendix.tex

Appendix

Proof of [Proposition 2](#). Use [Lemma 1](#) and [Assumption 1](#). □

Proof of [Theorem 3](#). Use [Proposition 2](#). □
